Have you met the Squad? - On June 24th, EGLE launched a \$2 million educational campaign aimed at boosting the state's low recycling rate, decreasing contamination, and cutting the amount of materials improperly placed in curbside recycling bins. MRC Executive Director Kerrin O'Brien described the initiative as a "laser-focused education effort," providing information that is basic to most recycling programs. Use the messaging "Know It Before You Throw It" to build awareness about the recycling program in your community. Read more...

House passes recycling strategy amendment - During floor consideration, the House of Representatives unanimously passed an amendment led by U.S. Congresswoman Haley Stevens, who represents Michigan's 11th District and is the chair of the House Subcommittee on Research & Technology. The amendment, which was co-sponsored by Rep. Kim Schrier, who represents Washington's eighth district, instructs the U.S. Environmental Protection Agency (EPA) to prioritize funding to develop a national recycling strategy to ensure the long-term economic and environmental viability of local recycling programs. ### **Smoke Alarm Drop Off Program**

The GTC Resource Recovery Department and the Grand Traverse Metro Fire Department have teamed up to bring GTC residents a Smoke Alarm Drop Off program.

You may now bring your old smoke alarms to either the <u>Grand Traverse Metro Fire</u>

<u>Administration at 897 Parsons Rd. in Traverse</u>

<u>City or the <u>Grand Traverse Metro Fire Station #11</u>

<u>at 3000 Albany Dr. in Traverse City</u> during their normal hours of operation.</u>

The drop off containers are located just inside the main entry doors. It is recommended that smoke alarms be tested monthly, the batteries replaced bi-annually and whole units replaced every 10 years. Batteries can be brought to any of the 9

drop off locations (listed below) around GTC.
Please contact the Resource Recovery Department if you have any questions.

## **Drop Off Battery Recycling**
